

Dear Friends of Alitex

As the situation with COVID-19 continues to develop we have taken the necessary steps to ensure that as many of our team can work with you on your greenhouse project in a safe manner.

We are happy to inform you that after momentarily pausing face to face sales visits and site installations, due to Government guidelines regarding COVID -19, we are able to resume most physical visits safely with new procedures in place. We are also happy to welcome you to our site at Torberry Farm by appointment if you wish to view our structures in person. However, we are still able to offer virtual consultations as well.

Please feel free to contact us 01730 826900 or email enquiries@alitex.co.uk if you can't reach us by phone and we will endeavour to call you back as soon as possible.

I would like to reassure you again, that as a well-established family business we are in a strong position to weather the storm in these unprecedented times and continue to help you realise your vision.

Many thanks,
Tom Hall, Owner & Managing Director
